

src/tb\_file\_io.h

```
graph TD; A[src/tb_file_io.h] --> B[stdio.h]; A --> C[fcntl.h]; A --> D[libaio.h];
```

A diagram illustrating the dependencies of the header file `src/tb_file_io.h`. The header file is shown in a gray box at the top. Three blue arrows point downwards from it to three white boxes below, representing the header files it includes: `stdio.h`, `fcntl.h`, and `libaio.h`.

stdio.h

fcntl.h

libaio.h
